	Fall 2025	Spring 2026
Nomination Deadline	April 15, 2025	October 15, 2025
Application Deadline	May 15, 2025	November 15, 2025
Semester Dates	September – January	February - June
Orientation Days	A week before the program starts	

• Nomination and Application

University officers: To nominate your students, please complete the following nomination form: [HERE](#).

Once students have been nominated by their home university, IPSA will inform the applicants about the application details and lists of subjects available by email.

Application documents usually include:

- Application form + Learning agreement
- Copy of Passport
- Transcripts from previous years + Current year
- Proof of language efficiency (Letter from university or Certificate)

Students receive an acceptance letter and further information after they have submitted a complete application and have been accepted by IPSA.

➤ Courses

In France, normal full-time degrees require 30 ECTS per semester. Exchange students may take less credits if their university allows it.

Exchange students can join one of the following programs:

- Aero 3 (undergraduate level courses) – English or French pathways
- Aero 4 (graduate level courses, spring semester) – English pathway
- Aero 5 (graduate level courses, fall semester) – English pathway except for Management option

The updated lists of courses are sent to the nominated students as soon as it is available.

➤ Language requirements

Aero 3: A B2 level in the selected language (French or English) is recommended.

Aero 4 and Aero 5 (except Management): A B2 level in English is recommended.

Aero 5 (Management option): A B2 level in English and French is recommended.

TOEIC: 700/990 ; TOEFL: 70/120 ; IELTS: 5/9 ; Duolingo: 100/160 ; students with no official English test can provide a letter from their university stating they have sufficient knowledge in English to follow courses abroad.

➤ Health insurance and Civil liability

EU-students: A valid European Health insurance Card (EHIC) for the duration of our stay in France is mandatory. You must present it at your arrival. A complementary health insurance is recommended.

Non-EU-students: You must enroll in the French student social security scheme (free) once in France. A complementary health insurance is recommended.

A civil liability (third-party liability) is mandatory for all students.

➤ Other information

- Cultural activities with the international student association
- Free French lessons and intercultural courses
- More than 70 clubs related to space, drones, robotics, sports...
- A buddy system to help international students throughout their academic mobility
